

ASOBU CUP INSULATOR - BF24

Product Description:

The ASOBU Cup Insulator is a lightweight, eco-friendly product designed for convenience and functionality. This patented product fits all standard coffee and tea paper cups from cafes and convenience stores, eliminating the need for disposable cardboard heat protectors. The insulated, double-wall stainless steel sleeve not only protects your hands from heat but also keeps your drink hotter for longer.

Perfect for travel, the slim also design fits comfortably in your vehicle's cup holder, making it ideal for commutes or road trips. Say goodbye to flimsy cardboard protectors and enjoy the added safety and extended warmth of your store-bought coffee. The ASOBU Cup Insulator ensures your favorite beverage stays at the perfect temperature while you're on the go!
