

ASOBU WIRELESS BOTTLE - BT60

Product Description:

Enjoy your favorite music while you are enjoying outdoor activities. No need for a big ?boom box? or loud speakers connected to cords, the wireless Beat Bottle is ideal for the beach, picnics and poolside and can even be your musical companion at work or study. Wireless up to 25 feet away.

Exceptional Design and Performance

The Beat Bottle features a double-wall, vacuum-insulated, copper-lined body made from durable 18/8 stainless steel. Unlike traditional designs, the speaker is thoughtfully placed on the top of the bottle - enhancing sound quality and providing easy access to controls. You can power on or off, change playlists, skip tracks, or repeat songs effortlessly.

Convenience and Durability

Pairing the wireless feature with your phone is quick and simple, plus the bottle recharges in just one hour - delivering hours of playback. The lid is equipped with an IPX4 waterproof speaker, so you don?t have to worry if it gets splashed with water!

This product is BPA and Lead free.
