

ASOBU INNER PEACE - GT50

Product Description:

Want to drink from a glass bottle but you're afraid it will break? The ASOBU Inner Peace Glass Bottle is the answer.

Designed with durability and safety in mind, this innovative bottle features a double-wall construction. The outer layer is crafted from shockproof, temperature-resistant Tritan®, while the inner wall and spout are made of glass. To ensure ultimate protection, the inner glass liner is encased between two cushioned silicone sections, shielding it from severe shocks and potential breakage.

Note: Only Burgundy [Red Color Category] is available in stock until supply lasts.
