

ASOBU PURAMIC ALPINE FLASK - PURE TMF6

Product Description:

Does the cold water have just a small sting of a metallic aftertaste? We know you can feel it in your stainless steel coffee mug as well. At ASOBU we strive to Elevate Your Everyday, by making these small problems disappear. That is why we created our PURAMIC line of bottles and mugs. Once you use these ceramic-lined insulated bottles you won't be able to use a regular stainless steel bottle again.

The new ASOBU Alpine Flask builds on the excellence of the original with thoughtful upgrades designed for active lifestyles. While maintaining its trusted durability and sleek design, the updated version now features an easy-grip handle, perfect for hiking, camping, or any on-the-go adventure. Another standout improvement is the easy-access spout, which allows for smooth drinking or pouring without removing the entire lid?making hydration more convenient than ever. Experience the Alpine Flask tradition with enhanced functionality that makes a great bottle even better!

This product is BPA and Lead free.
